

Ann Marie Vitale

Our friend and neighbor, Ann Marie Vitale, lost her short but brave battle with Leukemia on August 3, 2004 at Long Island Jewish Hospital. She passed peacefully in her sleep with her family by her side. Anne Marie would have turned 29 on August 7.

The e-mails have been pouring in... "She was beautiful, inside and out." "Truly an Angel." "She touched all of us..." "She was so special..." "We are so blessed to have known and loved her..." She was all of these things and more, and it brings us great comfort to know that she will continue to shine down on all of us in St. James.

Please check website for upcoming fundraisers for Ann Marie's children at www.annmarievitale.com. Send all donations to: John Vitale, PO Box 632, St. James, NY 11780.

Ann Marie Vitale A Special Flower

Beverly Kemp, 4 North, LIJ Hospital

*Ann Marie was a special flower
unique and rare
A pretty flower
far beyond compare*

*Each petal so soft and delicate
in every way
Such beauty she did unfold
with each passing day*

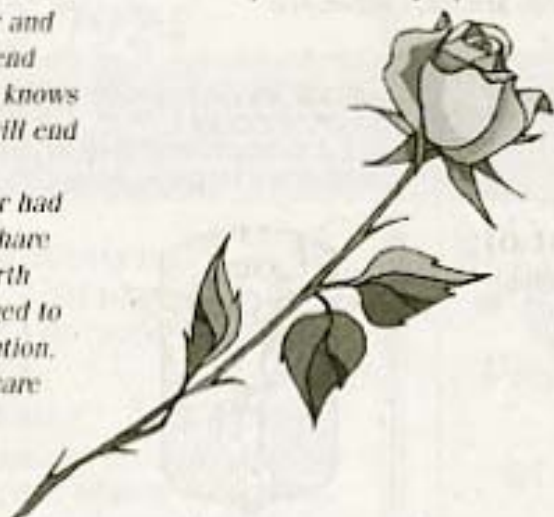

*Her family and friends
watched her blossom
into a special daughter,
a wonderful mother,
a loving wife,
a great sister and
a caring friend
It's true no one knows
when our life will end*

*But this flower had
so much to share
We at 4 North
were privileged to
give her attention,
to give her care*

*Ann Marie the special flower
was a blessing to know
Especially to those who
watched her grow*

*So she'll live on in
our hearts and minds
And through the memories
she left behind*

*We at 4 North want
to let you know
how much we care
And to let you know
you're in our prayers*
